

## When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

**Dr. Pierce's Favorite Prescription** makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, cures inflammation, breaks absorption and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter. Free. All correspondence strictly private and securely confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about women's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce for cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers, in handsome cloth-binding, 31 stamps.

### FINE MILL FOR SALE!

Don't miss this opportunity for an investment! Desiring to give my exclusive time to my farm, as I had to take it back, I will sell to the highest bidder on the premises beginning at 1:30 P. M., on

**Tuesday, September 12, 1911**

The following real estate: Flour mill of 75 barrel capacity, this mill has four stands of rolls is run by steam power and makes as good flour and meal as can be made. It is located on the O. & C. railroad at McKinney, Ky., 15 miles south of Danville and 30 miles north of Somerset, with a spur running to the mill from the main line. Without fear of contradiction I say we have the best market for feed in the state and the best located roller mill.

The mill is five stories high and has just recently been equipped with the most modern machinery from top to bottom. We have an abundant supply of never failing water. It has a large scale for weighing wagon and team, coal sheds, a good barn and has adjoining it a piece of building land with a fine cistern, a well and a concrete cellar on it. I will divide the land and sell it separately or will sell the two as a whole.

This sale will take place the day following the sale of the beautiful 150 acres farm of A. D. Root.

We have six daily trains and anyone desiring to see this property can get off any of these trains at McKinney and find us without trouble. Terms made known on day of sale

### LOOK FOR IT.

Many a Stanford Reader Will Be Interested.

When people read about the cures made by a medicine endorsed from far away, it is surprising that they wonder if the statements are true! But when they read of cures right here at home, positive proof is with their reach, for close investigation is an easy matter. Read Stanford endorsement of Doan's Kidney Pills.

Dawson Barnett, Rowland St., Stanford, Ky., says: "Some time ago I had a severe fall and this, together with the jarring to which I am subject in my work, brought on kidney trouble. For several days I could hardly get about on account of the pains in my back. I also noticed that the passages of kidney secretions were very irregular, especially at night. I decided to cure this trouble before it became chronic and as I knew that Doan's Kidney Pills were good for such complaints, I procured a box at Shugars and Tanner's drug store. Before I had finished the contents, I was entirely cured and I have had no kidney trouble since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Wilson Alexander bought a pair of 16-hand horse mules at Lancaster court at \$325.

### NOTICE OF SALE!

## Hanna's Green Seal "The Made-to-Wear Paint"

If you expect to do any painting, you are interested—you should be—in the quality of the paint to be used. In any given job of painting, labor represents practically two-thirds, material one-third the cost.

It stands to reason that with so much expense in labor, the enduring quality of the paint is all important.

Why have the painting done unless the protection and durability of the job is sought?

How is one to determine the true value and obtain paint that may be depended upon for durability?

**HANNA'S GREEN SEAL PAINT IS NOT A SECRET.** This paint has the printed formula on every package.

The makers have confidence and take pride in the quality and tell the public the composition of the paint.

**IS THIS OF ANY VALUE TO YOU? IT OUGHT TO BE.**
